An Apology for the Life of Mrs. Shamela Andrews by Henry Fielding an Apology for the Life of Mrs. Shamela Andrews Henry Fielding enry Fielding writes some of the earliest and perhaps the greatest English novels. In 'The History of Tom Jones', the hero is an orphan, brought up by Mr Allworthy on his country estate, until Tom is banished to make his own fortune in London. Fielding chats wittily and with poignantly across the two and a half centuries between him and the reader. Fielding pauses the action and explains with humour what he is doing, why he has developed the characters in this way, or explains what a novel is and how it differs from a play. It is astonishing to find the author chatting to the reader in this way and for it to feel so relevant. Fielding's first full-length novel, 'Joseph Andrews' is both high-brow and extremely funny . We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print...
